Principal’s Report

Student Led Conferences
Thank you to parents and students who attended last Wednesday’s Student Led Conferences at WMYC. The conferences are an important way for parents, students and staff to celebrate students’ achievements for the year and for the students to reflect on what they have learnt. We will review our reporting to parents for 2016. If you have a view on this, please contact me, one of the assistant principals or a school council representative.

Headstart
Our Year 9 students are attending Wodonga Senior Secondary College this week and next for Headstart where they are commencing their 2016 subjects. They will get to know their new classmates and teachers and be able to settle into school next year right from the start.

Headstart for WMYC students here in 2016 commences next Monday, with students from smaller schools who begin Year 7 in 2016 starting this Thursday.

ATL Art Exhibitions
Huon celebrates with a Street Party this Tuesday evening, from 5.30pm – 7pm celebrating student art work from this year. There will also be live music and food.
Felltimber’s Exhibition of Excellence will be held this Thursday from 5pm, to be followed by the Big Night Out where our bands and other music performers will showcase their year's work.
Members of the school community are invited to attend. Both will be a great night out.

Wodonga Gold Cup Day
A reminder that this Friday, November 27, is a public holiday for Wodonga Gold Cup. There will be no school on this day.
