Dear Parent/Guardian

Re: Year 7 Literacy program

The College has changed the application process for 2017 and to ensure all students entering the program are able to receive an individualised program, we require the documentation as requested in the application attached.

Teachers need to fill out part 1, providing the most recent 2016 report and any student data available.

We ask that a parent/guardian fill out part 2 and sign the documentation. Students will need to answer the questions in part 3.

An Information evening about the program will be held at the Huon Library on Wednesday 12th October. We look forward to seeing you there.

We invite students to participate in an interview with the Literacy Coordinator during term 4. The interviews will be held at the Huon campus on Wednesday 26th and Thursday 27th October. Information regarding bookings will be provided at a later date.

Yours sincerely,

Kim Bridge
