Respectful Relationships Curriculum

Last week we outlined the background behind the Respectful Relationships curriculum. This resource in schools is called Resilience, Rights and Respectful Relationships (RRRR). It covers eight topics of Social and Emotional Learning across all primary and secondary education

The eight topics include:

1. Emotional Literacy
2. Personal strengths
3. Positive coping
4. Problem solving
5. Stress management
6. Help - seeking
7. Gender and identity
8. Positive gender relations

The curriculum supports students to develop the knowledge, understanding and skills to strengthen their sense of self, and build and manage safe and respectful relationships.

Specific information around the curriculum can be found at <http://fuse.education.vic.gov.au/> (search for Resilience, Rights and Respectful Relationships)

At Wodonga Middle Years College we will be teaching this curriculum in the new CARE program and in health classes across the College.

Remembrance Day Services

Students at both campuses attended Remembrance Day Services on Friday. The services were conducted by the leadership students from each campus. Thanks to Holly Rodway for organising the day.

Circus Skills

13 Huon and Felltimber Year 7 and Year 8 students are half way through a 6 week circus skills program at The Flying Fruit Fly Circus. Our students are learning skills such as juggling, pyramids, hand stands, forward rolls and many more while also

improving their strength and coordination. The ultimate goal is a whole group pyramid - stay tuned, they are working on it.

Year 9

Outdoor Education

Felltimber Year 9 outdoor ed classes have been hiking in the high country. They had to find their way very carefully through deep narrow gorges. They all had a great time.

Rec Sports

Last week, Ms Ziebell's Year 9 Recreation Sports class went to WSSC to participate in a clinic run by the VET Sport & Rec class. The students had a fun time playing AFL 9's.

Sport

Cricket

On Thursday 2nd November, Rachel Warren, Paige Hunt, Kaylea Kobzan, Lacey Simpson, Millie Dixon, Salli Hallaway, Bella Jarvis, Maddi Sloan, Ruby Sparks and Kelly Ndayisaba went to Wangaratta for the next level of the girl's cricket. They played 4 games, but unfortunately they did not win any games. Three of the games were very close, they only lost by 10 runs or less. Again their fielding and bowling was very good, we will just need to work on our batting for next year. Well done girls on a great day and I look forward to coaching you again next year.

Movie - Battle of the Sexes

On Wednesday 1st November, 45 Year 8 students went to Albury Regent Cinemas to watch the movie "Battle of the Sexes". The movie is based on the life of Billie Jean King and in particular her famous match against Bobby Riggs. During Term 3 we looked at what Billie Jean had done for women's sport and in particular tennis in terms of gender equality and fairness throughout the women's tennis circuit. The movie was a great way for the students to see how this all unfolded and what the women went through to get where they are today.
