Assistant Principals Report

Headstart

This week we welcome our 2018 Year 7 cohort when they attend WMYC for Headstart. They and the current Year 7's and Year 8's will be working in their 2018 subjects, meeting their new classmates and teachers.

Each student will receive a pack with information from the College. Some of the forms need to be completed, signed and returned to the College as soon as possible.

Attendance for Headstart

We expect full attendance for Headstart from our students. We will be starting next year's work during Headstart, so full attendance is important. There will be pieces of work assessed during this time that will go on next year's report.

If for any reason, your child is sick or has a valid reason not to be at school, please ring the Absence Hotline on 02 6057 9051 and leave a message confirming the absence.

Year 9 Celebration

Our Year 9 students will celebrate their time at WMYC next Tuesday evening December 12. Students must purchase their ticket to attend. We wish the students all the best for their schooling at WSSC for the next three years.

Exhibition of Excellence

Felltimber held their annual Exhibition of Excellence last Thursday evening. It was great to see so many students and their families come to see the work that the students have completed during the past year. Huon will hold their exhibition next Wednesday as part of

the Street Party.

Don't forget to come this Thursday evening for the BIG NIGHT OUT! The College music bands – concert, rock and guitar - and choir will be performing.

Circus Skills

A group of Felltimber and Huon students completed a six week circus skills program at the Flying Fruit Fly Circus last week. The group worked on various circus skills including juggling, tumbling and building a human pyramid. They were successful in achieving the human pyramid in the final session! Thank you to Michelle, Per and Phil from the circus, and Miss Henderson.

Year 8

Liveability Excursions

Over the last couple of weeks, Year 8 students from Felltimber have been exploring the environment in the surrounding streets. They looked at shopping facilities, schooling, housing, parks and gardens and will use the information for their assignment on the Liveability of Our Local Area.

Sport

Shooting

The WMYC shooting team will participate in two competitions in 2018. In Term 1 there will be the Interschool Competition in Wodonga and in Term 4 there will be the Claybird Competition in Benalla. Interested students need to have a Juniors Firearm licence to participate. In order to do this you have to book into a safety course at the local police station. As this takes some time, it would be a good idea to get this done over the summer holidays, as the first practice day will be in the first couple of weeks in the term. NO SAFETY COURSE means NO PARTICIPATION.

“It’s Easier To Care Than To Walk Away”

The Felltimber Bridge Café and Huon’s Central Perk Café have kicked off this year’s Carevan Christmas Hamper with \$100 of groceries and would like to invite the WMYC families to add to the hamper. Any non-perishable item can be left at the campus office to add to our Carevan Wheelie Bin Hamper.
