Term 1

March 5, 2018

Principal's Report

Attendance CSEF (Camps, Sports and Excursions Fund)

If you have a child currently enrolled at Wodonga Middle Years College and you or your child currently hold one of the following:

- Centrelink Health Care Card
- Pensioner Concession Card
- Veterans Affairs Gold Card

You are then eligible to receive \$225 under the Camps, Sports and Excursions Fund announced by the Victorian Government.

Completed forms must be returned to the front office along with a copy of your concession card (Health Care, Veterans Affairs, Pensioner) by the end of Term 2.

Funding payments will be paid direct to the College and placed on the student account to be used for any camps, sports activities or excursions they are involved with.

Application forms can be collected from the College front office.

Wodonga International Learning City

Our College is proud to be part of the international learning city, this attracts many students from all over the globe to our vast opportunities and educational pathways through primary, secondary and tertiary government education providers in Wodonga. On Monday last week a delegation of parents from Vietnam toured our city and its education providers, learning about the opportunities that our region offers.

Maree Cribbes
Campus Principal

Sport

Upper Hume Swimming

Congratulations to all WMYC students who participated in the upper Hume Swimming carnival last Wednesday February 28. The competition was hot all day with many of our students being among the place getters. Huon student Lachie Payne broke some long-standing records and took out the under 15 boys age champion.

Shooting

The WMYC Shooting Team had their first practice last Friday at the Wodonga shooting range. The team is made up of students who have previous experience and others who have just obtained their licence. There will be more practise days at the range before the competition at Benalla later in the year.

Harvest Program

The Wodonga Middle Years College Harvest Program has been in full operation since being established several years ago. Staff member Helena Foster has been overseeing the garden and the harvesting of its fruits and vegetables from the ground up. Students regularly tend to the garden, learning about what's involved in growing the produce and then how to best utilise it in the kitchen, with the students turning their harvest into sellable items at markets and in the foyer of the Felltimber campus front office.

"One of the aspects of the project is to teach the students about sustainability" said Helena "Students really like to see the plants growing and then to see how that can be used in their cooking classes, it's exciting" she said.

On Tuesday Helena, Year 7 student Mason Stanley and Katy Meiklejohn were in the kitchen, taking some of the Eggplants that they had harvested earlier in the morning and using them to make an Indian dish.

The harvest program is just one of the many programs that are unique to the Wodonga Middle Years College and allow for every student to achieve their full potential.

Stars of the Border

Fundraising

The total sum raised during February by the Bridge Cafe and Central Perk Café from the sale of milkshakes, and from staff lunches at the swimming carnival is \$1417.05! A great effort from everyone!. Funds raised are going towards the Cancer Council 'Stars of the Border Dance for Cancer'.
