**June 18, 2018**

## Principal's Report

### **Awards Ceremonies**

Award Ceremonies will take place in the last week of school. These ceremonies will recognise Diligence and Excellence. The Huon Assembly will be at 10am on Thursday 28<sup>th</sup> June and the Felltimber assembly at 10am on Friday 29<sup>th</sup> June.

### **End of Term**

Friday, June 29 is the last day of term. Students will be dismissed at 2.30pm.

### **Student Led Conferences**

SLC's with subject teachers are being held today from 3.30pm – 7.00pm.

Book your conferences at [www.schoolinterviews.com.au](http://www.schoolinterviews.com.au) and enter the booking code **guymt**

### **Year 9 into 10 Transition**

In term three, the process of transition for Year 9 students into Year 10 at Wodonga Senior Secondary College will begin. During term three, students will receive their course handbooks and be guided through the process of course selection. They will participate in tours of Wodonga Senior Secondary College and have the opportunity to attend information sessions and other activities.

Students and their parents are invited to attend a Transition Parent Information Evening at Wodonga Senior Secondary College in July at a date to be confirmed. All families will receive further information on this and other transition events in the following weeks.

## Sport

### **League Tag**

Earlier this month, the girls league tag team travelled to Wagga for the next level of competition. Despite playing well, they lost their first and second games but then won their third game keeping the

opposing side scoreless. Thank you to Tony Mason who coached and drove the team to Wagga, and to Alecia Leahy for organising the girls.

### **Soccer**

Congratulations to Maree Matthew, Giaan Beard and Ashtyn Saddington members of the victorious Under 14 Albury Wodonga Football Association's (AWFA) representative team that played in Shepparton over the long weekend. The team did not concede any goals during the tournament - a great effort! AWFA sent eight teams to the tournament - six teams made grand finals and five teams won.

## Arts, Technology, Language

### **Oz Comic Con 2018**

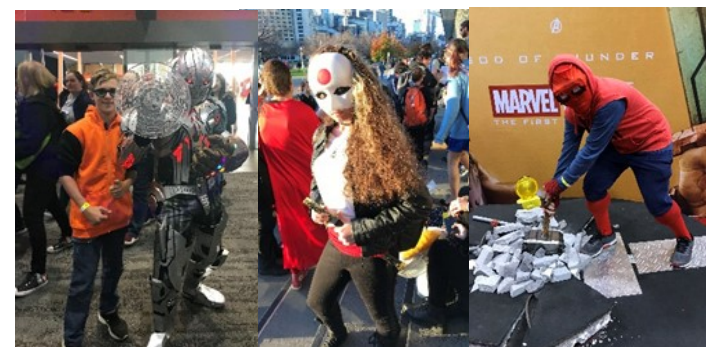

Oz Comic Con has wrapped up for another year and what a blast it was yet again. Myself along with Michelle Butters, Josh De Kruiff, his student teacher Tim, and a pair of teachers from WSSC headed down with 86 Wodongans to the big smoke bright and early on Saturday morning to indulge in geeky pop culture delights.

Geeta Maharaj joined us on site and many dressed for the occasion in recognisable and indecipherable (anime) outfits and all upheld the true fan spirit of inclusion and celebration of the things we love. Pop Vinyls and Infinity Gauntlets were the go to items on the day and there were more Deadpools than you could shake a chimichanga at. Can't wait to do it all again next year!

Thanks as always to Michelle Butters for her dedication and organisation, Geeta and Josh for joining the crew for a long but glorious Saturday in June.

# Green Bean

## Pop up Cafe

The Green Bean Project celebrated the 8 weeks of coffee training with Platform9 Coffee Roasters by sharing their new found skills at the Pop-Up Café @ Gateway

Health last Thursday June 14. The students involved in the project had their coffee making and workplace skills put to the test in real time for real customers. The many who came and enjoyed both coffee and treats also supported the

work of Border Trust with donations adding up to \$360. The Green Bean students can be proud of themselves, knowing they now have some very valuable workplace skills and attributes to offer prospective employers. Wodonga Middle Years College would like to acknowledge and thank NELLEN, Platform9 and Gateway Health for their support and commitment to our students.

# Student Leadership

## Year 7

Last week a number of WMYC Year 7 students engaged in the second round of the Youth Leadership Program at the CUBE.

The session topics were, Failure to Success, 5 Steps to Success and forming daily routines. Dr Alfeen Varghese led the students to investigate their individual strengths and characteristics in order to identify their personality types and characteristics. The students were then able to look at a range of career paths and see where their skills and profiles matched and how to further develop their teachability and skills. Geoff O'Neill, a Performance Life Coach talked to the students about developing daily habits in order to improve brain function to support learning and goal setting. Healthy eating, exercise, leisure and rest were all topics up for discussion about how making small changes in our daily life can become great life habits for success and that failing at times is not fatal or final.
