Newsletter No 38

Term 4

December 10, 2018

From the School Council President

As 2018 draws to a close, the School Council hopes that all students can take a moment to reflect on what they, as individuals or as part of groups or teams, have achieved since the start of the year. It is also a time to look forward to 2019 and we wish all students the very best in their endeavours whether they are continuing on at WMYC or moving on to their senior years.

In 2018 the School Council has benefitted from student representation, as well as the formation of an education sub-committee which has started to review key parental questions regarding curriculum, technology and communication to families. There has been ongoing investment in the school buildings, grounds and classroom resources to ensure all students have the best opportunity to succeed. In 2019 the Council will continue to work closely with the WMYC Leadership team and we look forward to welcoming new members in 2019.

Details for joining the School Council will be shared through the newsletter in Term 1 of next year.

Thankyou to our school councillors Ana Maria Gonzalez, Christine Burnett, Eleny Massey, Jacinda Hunt, John Williams, Karen Hooper, Karen Turner, Kelly Grohmann, Maree Cribbes, Marg Leddin, Mitch Harris, Scott Walters, Tammy Barton and Vern Hilditch for their efforts this year.

We wish you a Merry Christmas and a Happy New Year.

Paul Thorpe
School Council President

What is the NDIS?

The National Disability Insurance Scheme (NDIS) is run by the government to help people with a permanent and significant disability live a better life. The NDIS lets people decide what they need to be more involved in the community and everyday life.

Hannah's Story

Hannah's mother and teachers see that she is having trouble learning like the other children. She doesn't like to talk much and can't write. Hannah isn't doing well at school, and can't learn the way the rest of her class do.

Hannah may have a permanent and significant disability. Her mother is worried about her. She and her teachers want her to do well at school. Hannah is getting special help with her learning. She is doing better at school and is looking forward to getting a job.

Why do we need the NDIS?

People with a disability have the same rights as other Australians, and should be able to make choices about what support is best for them. The NDIS recognises that everyone has different goals and needs, and works with people to help them achieve their goals and enjoy an ordinary life. The NDIS is replacing the disability system with a new national system. The NDIS is social insurance and is not welfare. The NDIS takes a lifetime approach to support, investing in people with disability early to improve their life later on.

Getting started with the NDIS.

- 1 Are you eligible for the NDIS?
- 2 Identify your support needs and goals
- 3 Prepare for your planning conversation
- 4 Planning conversation with the NDIA
- 5 Create a care plan

The NDIS is in Wodonga now. Call 1800 800 110 to begin your NDIS journey.
