April 1, 2019

Principal's Report

GPA and Student Led Conferences

You should have received your child's first Grade Point Average (GPA) this week. There are 6 GPA cycles throughout the year. These occur in week 4 Term 2, week 10 Term 2, week 7 Term 3, week 3 Term 4 and week 11 Term 4. With the Victorian Curriculum results distributed at the end of Term 2 and Term 4.

Many students have performed very well on their first GPA and we congratulate them for their hard work and effort. Some students would not have done as well as they would have liked. There is an opportunity to discuss your child's progress with the teachers on Wednesday 3rd April between 3.30pm and 7pm. Please book your interviews at <https://school.interviews.com.au> with the Code: 3vrwa

If you are unable to attend these interviews please contact the school or your child's teacher to make an alternative appointment.

Communication at the College

At Wodonga Middle Years College we have many ways of communicating with parents. All information and upcoming events are placed on our school Facebook page (search for Wodonga Middle Years College), when you find the page, like it and you will receive our articles. Text messages are regularly sent out to alert you of upcoming events and if your child is absent. We also send text messages if we cannot contact you by phone. The school has a weekly newsletter that is posted on the school website, the school Facebook page and can be emailed to parents. If you would like to receive the newsletter via email please let Dot Hancock know via email dhancock@wmyc.vic.edu.au

The school has a parent portal. On this portal you can approve your child's absences and view their reports. We are planning on holding a parent information session about this parent portal early in Term 2. If you do not have access to this portal please contact the front office so that they can support you to gain access or contact huon-admin@wmyc.vic.edu.au or felltimber-admin@wmyc.vic.edu.au

Your child uses a learning management system to support their learning. This system is called Desire to Learn or D2L. We are currently setting up parent access to this portal so that you can access your child's work and the feedback they are receiving from their teachers. More information on D2L will follow next Term.

Holidays

I wish you all a very happy and safe holiday over the next few weeks. It has been a particularly busy first term with camps week, swimming and athletics sports, Harmony Day and settling into the routine of a new school year! Thank you to all families for their continued support of the school.

Student Pathways

Careers Open Day at Army Logistic Training Centre (ALTC)

Comprised of the Navy, Army and Air Force, the Australian Defence Force is a modern, people focused organisation and one of Australia's major employers.

The Careers Day showcased the technical trades and careers available within the Training Establishments of ALTC.

Trade displays from the Army School of Electrical and Mechanical

Army School of Transport was well received by the students because they could get hands on with some equipment, participate in some self-defence moves with the Military Police, PT activities with Physical Training Instructors and interactive demonstrations of weapons and weapon simulation systems.

The Students really enjoyed the day and had lots of fun while exploring different career's in the ADF.

Art

During Week 8, students across the College completed skate board designs to

enter into the 'Deckd' competition by Wodonga City council. 40 works were selected to be displayed in a pop up gallery and are now open for public voting. Students who are finalist will be in the running to win a trip to Torquay and a limited-edition skate board.

Sport

Super 8 Cricket

On Monday last week the Year 9 Super 8's girls cricket team went to Wangaratta for a day of action against local schools. The girls were excited to get going as most of them were in the Year 8 team who missed out going to State last year by only a few runs. With a few new inclusions we were ready and raring to go. We had a great start beating Cathedral and Catholic College by 40 runs. Our 3rd game was against Galen, unfortunately our batting let us down in this game (both teams took 5 wickets) and we ended up missing out on the grand final by 30 runs. The girls were fantastic all day and I want to thank them for letting me be their coach for the 3rd year and I will miss having them around next year.
