Principal's Report

End of Term

Students will be dismissed at 2:30pm Friday 28th June, the last day of term.

Term 3 commences Monday 15th July.

Camps Sports and Excursion Fund (CSEF)

Applications for CSEF close at the end of this week, 28th June. If you are eligible and have not already applied, please fill out a form available from the campus office. Secondary students receive \$225 per year that can be used towards any camp, sport or excursion they attend.

Year 9 to Year 10 Transition

A subject Expo will be held at WSSC for Year 9 students on Thursday 15th August. Students and their parent/carers are invited to attend to meet with teachers.

Parent Opinion Survey

Early next term, a random sample of parents will be asked to complete the annual parent opinion survey. The Department of Education and Training conducts the survey through an independent company to gather information about parents opinions on student engagement, outcomes and school climate. Our school will use the survey results to help inform and direct future school improvement and planning.

The survey will be conducted online between 22nd July and 11th August 2019.

We wish all students and families a safe and happy holiday.

Assassins Creed

40 WMYC Felltimber students have been silently participating in a game of Assassins before school, during lunch, snack and after school. Each player is given a target who they must eliminate from the competition. To eliminate their target they had to wait for the perfect moment where they had the target alone and tell them they had been assassinated without being seen. They then move onto the target of the person who they just eliminated. The competition has been running for almost two weeks now and half our targets have been eliminated. There is a prize for the last person standing and for the person who eliminates the most people. With one week to go in the competition things are heating up. A final update will come in the next newsletter.

Camp Rock

Students from Huon and Felltimber went to see a dress rehearsal of Camp Rock last Friday June 14 at the entertainment centre in Albury. Some of the performers were WMYC students who have practised very hard over the last few months to ensure the success of the Bytesized production.

Sport

Shooting

Students had a great day at the range participating in the Interschool Shooting Competition. Schools from around the district competed in events including .22 calibre both target and silhouettes, and shotgun clay target shooting. WMYC took out three medals in the girls B-grade.

Flair Cabinets Excursion

Last Tuesday we had a very informative industry visit to Flair Cabinets. The students got to see the cabinet making process from the planning to construction and final installation. There are numerous job opportunities within the industry ranging from IT, interior design, spray painting, machine operation, cabinet making/carpentry, retail, reception and administration just to name a few. Thanks to John and staff from Flair Cabinets.

A great morning was had by all.

Thanks to Andrew and Lacey (G4C) and, Sloane Hubner (WMYC) for organising and taking the students.

Y8/9 Baking and Decorating High Tea

Ms Budge's class held a high tea for parents, students and staff on Wednesday June 19 during periods 7 and 8. Over the last few weeks, the class had to research the history of high teas, the recipes used, then test bake the recipes they decided on before holding the high tea. There were sandwiches, scones, brownies, quiches, mini pizzas, sausage rolls and a variety of slices which were served with punch or tea and coffee. All the guests thoroughly enjoyed the afternoon.

Year 10 - 2020

Is your young person currently in Year 9 and looking to attend Wodonga Senior Secondary College in 2020?

We are pleased to welcome your young person to Wodonga Senior Secondary College. At the beginning of Term 3, you will receive a letter outlining the activities planned to assist them settling into the Senior College.

Your family will be able to participate in an Information Night (WSSC On Show), College Tours, student presentations, regular updates and activities to ensure the transition to the Senior College is seamless.

Staff and students at the Senior College look forward to sharing the opportunities your family will have over the coming years as your young person progresses their educational goals.

Please contact the College if you have any questions.
