NAPLAN Results

NAPLAN results have arrived at Wodonga Middle Years College. If your child participated in NAPLAN this year they will bring home a printed Individual Student Report and other supporting material this week. NAPLAN provides a snap shot of your child's achievement at a point in time. The report should be considered along with other school based assessments.

School Dental Program

Next week the school dental program will visit the school. Consent forms will go home this week. Parents can elect to have their child's teeth checked and any minor dental work carried out. This is a cost free service.

State School Spectacular

On Wednesday the 4th of September we received a cheque from Rotary Club of Albury Wodonga Sunrise to help with the students going to The State School Spectacular next week. A huge thankyou to Rotary for their help in getting us to Melbourne.

Wear it Purple

On 30 August 2019 students showed support for safe, empowering and inclusive environments for all.

Indigenous Literacy Week

On Wednesday the 4th of August our college celebrated Indigenous Literacy Week. Students participated in a range of activities including cultural artwork and face painting. Thanks to all our wonderful students who helped organise, cook and deliver the session. Also a massive thankyou to our KESO's Tammy and Rosie who supported our students and staff to celebrate this event.

To reduce interruptions to classes, we do not use the PA system during class time - it is used only during break times-lunch, snack, before and after school.

If you require your child to be excused from class, please have your child bring a signed note to school to present to their teacher so they may be excused from class. Thank you for your assistance in reducing class room interruptions.

Esports Team

Our E-Sports team have been sacrificing their lunch times for some vigorous training in preparation for the interschool eSports competition that will be held early next term.

TAFE Presentation

On Thursday our Year 8 Felltimber students were lucky to have Kelly and Trina from Wodonga TAFE talk about future pathways and some courses that they offered. The students got the opportunity to participate in a Q&A which is always very informative.
