Principal's Report

Term 4

Term 4 is always a busy term for students and their families. This term we will be farewelling our Year 9 students - it won't be long until they move on to Wodonga Senior Secondary College. They will take with them the foundations of learning from primary school and Wodonga Middle Years College to start their new journey.

There are many important things to finish off with teaching including student portfolios, assessments, end of year reports and the commencement of planning for the 2020 school year. Towards the end of the term, we will welcome a new cohort of Year 7 students into the school to begin their headstart. They will have the opportunity to meet their teachers and become familiar with Wodonga Middle Years College prior to school starting next year.

Please note calendar dates on your calendar at home so that you are prepared for the busy Term ahead!
