Principal's Report

Remembrance Day Services

Students at both campuses attended Remembrance Day Services last week. Remembrance Day in Australia commemorates the sacrifices of

armed forces and civilians during times of war. Men and women in Australia and around the world have made sacrifices, many have given their lives. They gave their lives to ensure that we can continue to have freedom in our Country. At this time, we also recognise our defence families and the sacrifices they make as their parents and partners go out to work each day to serve our county. Thank you.

The services were conducted by the leadership and defence students from each campus. Thanks to Justine Ingram and Jacqui Boehringer for organising the ceremonies.

Careers

First Aid

Last Tuesday November 12, a group of 16 Year 9 students completed their First Aid Certificate at Feltrimber. Our school nurse Linda Elkington took the students through the course that covered all aspects of First Aid including CPR, sprains and fractures.

Teaching

On Thursday, the Year 8 students were lucky to have Miss Neale and Mr Nagle talk about their time at school and their career journey and the different pathways they took to get to where they are now. The students enjoyed hearing about the teachers on a personal level.

Hockey

On the 12th of November, a team of Year 9 boys travelled to Melbourne to compete at State Hockey. The group was a mixture of both Feltrimber and Huon boys. The boys played three games overall, winning one, losing one and drawing one. The day was really enjoyable and it was great to see our boys being really competitive at a high level of competition. Their teamwork and skill level is highly commendable.
