Principal's Report

Camps Week

Thank you to all parents for their support of our whole school camps week, it has proven hugely successful from feedback received. Our only hiccup was some cases of gastro on two of our camps. Thank you to our amazing staff who supported our students who became ill on the camp and adjusted the itinerary to cater for this unexpected issue.

Our staff put in a huge effort leading up to and during the week and our office staff have done an amazing job leading up to the camp, predicting possible problems and troubleshooting throughout the week.

The reports from parents, staff and students have been very positive. Congratulations to you all! There will be a thorough review of camps week shortly, so we would love to hear any parent feedback. We have already begun planning for the 2021 camps and excursions!

Maree Cribbes
Campus Principal

Camp Week

Mitta

Students who attended the Mitta camp last week got to experience nature up close and personal. After setting up their tents and swags, they then enjoyed other activities over the 3 days including whip cracking, fishing (some even caught trout and carp), ferreting and spotlighting. They visited Dartmouth Dam and learnt how the mechanics operate the systems. They went swimming, had a bonfire one night, cooked a lamb on a spit and learnt the difference between lure fishing and bait fishing.

Horse Riding

Perfect weather and blue skies, towering gums and crystal-clear streams – nothing could be better! The group rode remote bush tracks, crossing rivers and streams taking in spectacular views of the Delatite and Howqua valleys. They even got to see where some scenes from the movie "Man from Snowy River" were shot.

Raggy Quilting

Students developed their sewing skills as they learnt the art of raggy quilt making in a 2 day school based activity as part of camps week. They chose and cut the fabric and designed the pattern before construction. The end results look fantastic.

More camp photos.

Dates to Remember

Dates for 2020	Activity
Mar 18	▶ WMYC 'On Show' - CANCELLED
Mar 20	▶ Reports Issued
Mar 26	▶ Athletics Carnival
Mar 27	▶ Last Day of Term
