Principal's Report

End of Term 1 is just around the corner

There are only four weeks of school left for this term with next week being camps week. Students should use the last three weeks of class time to complete class work and make sure they are up to date. Today is a great time for you and your child to reflect on the work they have completed this year and to consolidate home and school work practices to further improve their learning.

Camps Week

If your child has not booked in to go on a camp, there are many activities happening at school for the week. Please contact Dee Hosking (Huron) or Karen Hooper (Felltimber) to find out which activities are still available. This is a compulsory week of school for all students.

Family Statements

All families should have received their family statement either by email or post. If you have an outstanding account with the College we would appreciate prompt payment. If you have not received your statement please contact the Administration Office. Thank you.

Parent Portal

We would like to encourage families to access the school portal. In the portal you can make payments; approve camps / excursions; approve absences future and past; view timetables; and, access teacher contacts. Look out for the new phone app in Term 2.

Camp Week 2020

March 10 - 13

All camp payments should now be finalised.

As all camps have now been booked and money paid to the venues, we are no longer able to swap which camp students are attending.

All students are expected to attend during the week.

Students are asked to return paperwork (if required) for their camp to the campus office as soon as possible.
