Principal's Report

Welcome back to all students, families and staff. We hope you enjoyed some more freedom in the holidays and had the opportunity to catch up with family and friends that you may not have seen for some time.

As mentioned last term, Week 1 students will still be participating in remote learning. In week 2, Monday 12th October, all students will return to on-site teaching.

We look forward to having school back to a (COVID 19) normal.

R3

Lunch

Students from R3 put their cooking skills to the test again during the last week of Term 3, making hamburgers and milkshakes for their classmates and staff. Students had to purchase the ingredients, follow a recipe before cooking and assembling the hamburgers. It was a wonderful way to finish the term and as one of the students commented, "they were better than McDonalds!"
