

Dear Parent/Guardian

Flying Fruit Fly Circus School and Wodonga Middle Years College is looking forward to another great year of teaching and learning and would like to advise you of Flying Fruit Fly Circus School and Wodonga Middle Years College's voluntary financial contributions for 2024.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school and college can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and college and the programs we can offer.

Within our school and college this support has allowed us to offer a wider range of subjects and special curriculum experiences, faster WIFI and internet, enhanced digital opportunities and state of the art library services.

Flying Fruit Fly Circus School and Wodonga Middle Years College makes every effort to keep the cost of items and activities to a minimum and at an affordable level for all parents. Please find attached the fee schedule.
