POLICY

1. School profile

Wodonga Middle Years College (WMYC) was established in February 2006 as a co-educational college catering for students in Year 7-9. The College is located on two campuses (Felltimber and Huon). The Flying Fruit Fly Circus School is part of the Wodonga Middle Years College and is located at Felltimber

Campus and enrolls students from Year 3 to Year 9. WMYC also has a satellite campus called Choice Learning, which is a joint venture between the Middle Years College and Junction Support Services through the Navigator Program.

We specialise in middle years schooling. We have around 1000 students across both campuses. We pride ourselves on having strong links to our community and feeder primary schools. We have a rigorous transition process to ensure we have continuity of learning for our students.

We have an executive principal that links Wodonga Middle Years College to Wodonga Senior Secondary College. This ensures we deliver a seamless program from year 7 to 12, where all staff from both college's work together to deliver state of the art programs and learning.

Our college is culturally diverse, and we strive to provide a nurturing and challenging environment that empowers all students to reach their personal best, both academically and socially. The school also has a strong Koorie community and representation. We are proud of our diversity and inclusive college community.

Students attend their local campus ensuring we build strong and connected communities. Most students walk or ride to school.

2. School values, philosophy and vision

Wodonga Middle Years College Statement of Values and School Philosophy is integral to the work that we do and is the foundation of our college community.
