Hands on Learning Program

Huon
Students and staff of the Hands on Learning Program (HOLP) at Huon have almost completed constructing the pizza oven. This week they have added the steel doors and rendering and have to apply another coat of render to finish it off. It should be completed in the first week of next term and ready for its first pizza! They have also used an old sofa as a model and created a rendered sofa.

Arts Connect
On Monday 7th March, 40 students from Felltimber and Huon campuses attended the Tap Pack show at the Exhibition Centre in Melbourne. It was an early morning for the students, however the excitement for the day in Melbourne soon overcame this. The Tap Pack was fabulous, with the performers displaying raw talent of tap dancing combined with humour and an entertaining show. In addition to this the students visited Imax, where they saw a 3D viewing of Life of the Dinosaurs, and had time for a shopping session around the exciting CBD of Melbourne. Thank you to all the staff and parents who made this possible.

Tennis and Volleyball
On Thursday the 17th March, a group of students from both Huon and Felltimber competed at Wangaratta in the intermediate Volleyball and Tennis. The tennis team consisted of Jesse Blackham, Coby Smart, Jarrod McKane and Ben Rapsey, who were keen for a challenge against Wangaratta High, Galen College, Catholic College and Marian College. The boys played consistent tennis throughout the tournament, but couldn’t find a way to regularly break their opponents serve, especially against some of the big hitters! Still, they battled valiantly and enjoyed the day.

Results were:
- Wangaratta High 2/12 d WMYC 0/1
- Catholic College 2/12 d WMYC 0/5
- Marian College 2/12 d WMYC 0/3
- Galen College 2/12 d WMYC 0/0

The volleyball competition began with Job Harding, Joshua Howlett, Matthew Whitehead, Blake Wilson, Samuel Lovett, Ryan Hooper and Harry Hosie playing a tough game against Huon. Throughout the day the boys competed in games against Victory Lutheran College, Galen College and Wangaratta High School. Unfortunately the team was unable to win any of their games, however all players improved their serving, ball handling and team work skills and confidence in each match. The competition sparked interest in the team, who are now looking forward to future volleyball competitions in the region.
